The DPF is not a humanitarian support organization. It was formed solely for promulgating the Gospel as originally taught by Jesus Christ and distributed through the ministry and writings of Charles T. Russell; not as a channel to teach alternative views or doctrines.*

The following items need to be completed prior to forwarding the application to the Divine Plan Foundation. If you have questions about the applications or about your request for financial support for a witnessing event or activity, please contact the foundation at contact@divineplanfoundation.org or write to the address listed at the bottom.
